for

**TÖNNJES GUINEE SAS**  
**BP 6755**  
**Coleah Domino Commune de Matam**  
**Conakry**  
**République de Guiné**

We herewith confirm that the Company Identification Code “GNED” has been assigned and registered by EDC according to ISO/IEC 15459 exclusively for TÖNNJES GUINEE SAS BP 6755. Date of first registration: 2025-12-15, for expiry scan DigSig and see date with Online Verifier.

Uniqueness of data elements in open environments will be achieved in combination with appropriate ISO/IEC 15418 ASC Data Identifiers followed by the Issuing Agency Code (IAC) of Eurodata Council “QC” and the assigned 4-character CIN. The rules of IAC and CIN assignment are set by the maintaining working groups of ISO/IEC and available globally as standard ISO/IEC 15459-2 from the member states (see annex).

Applications of the assigned CIN(s) range from item identification in supply chain management to unique keys to data bases, and are also used for security features like ISO/IEC 20248 Digital Signature applied to this certificate.
